STUDIO J DANCE

Preschool [Ages 2-3] This class consists of ballet, tap, tumbling and personality singing. It includes coordination, timing builders, games and songs. This class provides a firm foundation for the next level of dance classes. The preschool class meets for 45 minutes each week.

Combination Course This course is an introduction to all forms of dance. The old class learns acrobatics, ballet, jazz and tap. These students meet for one hour per week.

Ballet The ballet class provides the technical foundation for all forms of dance. Barre, center floor and progressions (movements across the floor) are all used in developing ballet technique. This class develops grace, poise and balance.

Hip Hop Fun and energetic freestyle dance form. This class is taught in a relaxed atmosphere and dress code.

Jazz Jazz is an exciting, dynamic and one of the most popular types of dance today. Students are taught warm up techniques and conditioning exercises to help strengthen them as dancers and prepare them for more difficult combinations and moves. They also learn routines that fit today's music.

Tap A fun class that emphasizes footwork and the expression of rhythm through sound. Students learn timing, balance and coordination. All classes work on the basic tap skills, progression through tap steps, combination and dances.
